Minority, woman-owned business expo set Tues.-Wed.

The Minority- and Woman-Owned Technology-Based Small Business Capabilities Exposition will be held from 7 a.m.-8 p.m. Tuesday and 7:30 a.m.-12:30 p.m. Wednesday at the Calhoun Community College's Aerospace Technology Center at the Decatur campus in Tanner, Ala. The exposition provides a forum for more than 40 firms to present their capabilities to top project managers of both the Marshall Center and NASA's prime contractors.

For Marshall Center status in inclement weather, call 544-HELP, Option 5

Thrift Savings Plan Open Season ends Jan. 31

Steam outage at Marshall planned for weekend

A steam outage — from 6 p.m. Friday through 3:30 p.m. Sunday — is planned for the Marshall Center. The outage is necessary to install a steam meter that will determine the exact amount of steam being used at the Center, and its cost. During the outage, there will be no heat at the Center. If the temperature is below freezing, the outage will be canceled until further notice.
